

Thank you for the opportunity to express my comment. I do not believe it is right to allow Lower Power FM stations to take priority over current FM translator service. Sure, selfishly... I don't want to loose Airl! I listen a minimum of 2 hours and up to 8 hours a day to Airl. BUT... besides my selfish opinion, I really do not feel the FCC should allow this. It just isn't right. Sure, help out the lower power stations... but for that to take over those exsisting stations is just not right. THank you for your time.
